UIT DIE STOEL / Chairman's monthly report.

Well the A.G.M. is upon us and we really need your **urgent attendance** at the meeting, which will be held in the small hall at Ou Skip Caravan Park on the **8th of August 2009 at 12.00**

This is a watershed meeting and your club is in need of your support. We had a meeting with Provincial Councilor and we decided to temporarily keep some members on the committee with the express purpose of saving Boland from being downgraded or worst of all, being disbanded. In the light of our predicament I will gladly stand again as Chairman if the temporary Committee so wishes. We hope to buy some time with this arrangement and to get some new faces in the club willing to serve on the Committee. This most important activity only takes a few minutes of your time a month.

The club really needs dedicated members to make it worthwhile being a member.

I sincerely hope that we will be able to see you all at the A.G.M. Please make an effort to attend, even if only for the meeting. [A quorum consists of 15 members min.]

I want to say thank you to those who volunteered to help out on the Committee until our membership can be increased.
