UIT DIE STOEL / Chairman's monthly report

Boland had a split rally this month due to some members not wanting to attend the Snoektown rally at Yzerfontein. An alternative rally was organized at Montagu. This rally was attended by 8 vans. This included 2 visitors from other Region's and a non member visitor.

The following were in attendance:-

Charles & Sally Staats
Hardie & Johanna Pienaar
Kosie Du Toit
Daan & Annatjie Le Roux
Frikkie & Elize Auret

Bertie & Connie De Kock attended for their 230th National (it takes many years to reach this number) Congratulations from us all at Boland. Many thanks for the champagne & snacks on Saturday evening. Also we had a visitor from Sasolburg Region: - Pieter Carse & wife. (Sorry I can't remember her name).

We also had Tom & Anna Bell visiting us for the Friday evening does in the Lapa, as well as the Church service on Sunday.

Not forgetting a visitor who joined us to see what all the fuss is about. They were Martin & Bettie Bonnet.

The park put up a Muskadel & snack evening in the lapa for us. Ons sê baie dankie aan die park se mense vir die funksie. Hulle het ook 'n TV in die lapa geplaas vir die Rugby Saterdag.

Montagu Park:-

This park, situated almost in the town center, is really worth the visit. They have done wonders with the park after last year's floods. All the ablutions have been upgraded and retiled. The lapa has been closed in and roofed over with a big fireplace at one end. There are light's on both side walls so we can see what we are doing at night without having to use a torch to see if the meat has cooked properly. The sites are all grassed and level with power points. Hot water is by gas and there were no problems experienced at all with this system.

This park is highly recommended by Boland region. (fussy old buggers) and is worth a visit by any caravanner.

Please note: This is most important

We require your name if you are going to attend the rally at Skurwekop. Please book with Johanna (082-453-0889 or 022-772-2379). We have to have this as you won't be allowed into the park. This notice is required 6 weeks ahead of the rally.
