November/December 2009 JAK003

From the Chair

Season's Greetings to all my fellow Caravanners.

This is my last chirp for 2009, so it may be a short one.

The Christmas rally was another great one and I am sure that everyone still carried on enjoying themselves after I left on Saturday night. Just to let you know The Burger Cycle race went well for Lisa and I we managed to finish the 97km in 4 hours.

To all the members of Cape Western Caravan Club I hope you all had a great Christmas and New Year break, those of you who went away over the festive season travel safe and we will all see each other at the first rally next year with probably lots of stories to share about our holidays.

We still need some new committee members at our next AGM so please give it some thought over your holidays. I have done nine years on the committee now so my end is coming near, and I would like to see a strong committee before I step down.

That's it for now
See you all next year
Derek

Happy New Year

"Greetings fellow Caravanners"

I trust you all had a fantastic Christmas and a fabulous /safe New Year!! I know I did.

Well it's now the start of 2010 and with a calendar year full of events most notably the 2010 world soccer which I'm sure a lot of you have firm favorites as to who would win! On the Cape Western front there is a year full of rallies to look forward to (for those of you who have not received the latest Homestead, I have attached the Rally Fixtures for 2010), also there is the AGM (held at Ou Skip) half way through the year, all though it seems to be along time away- now is probably the time to start thinking about putting your names forward to be elected.

May the coming year for Cape Western be a fun filled one!
