

Ou Skip 9 - 11 March 2008

What a weekend!!!!!! Disa celebrated their 21st Birthday and although the weather was not too wonderful, great fun and celebration was had by all.

For those of us not fortunate enough to have set up on Thursday, Friday saw us dodging the rain drops to set up. Congratulations to Skattie who did what most men wouldn't even attempt - reversing her caravan all the way down the narrow road with cars parked either side and then parking her van on a tiny site which was so small she could not even put up her rally awning!! (Hope the guys take note - women rule!!) Friday night saw everyone enjoy a glass or two of OBs after paying their fees. As it was a whole 2 weeks since the last rally, a lot of catching up was done! Especially Vincent and Mark who only got to bed at 3am - well for Mark, it was a little later as he had to first find the cat!!! (That darn cat!!!!!!)

Saturday started off with a wonderful tea party in the hall that saw a magnificent spread of cakes and savouries together with three very special birthday cakes. Thanks to one and all for the very generous donations of goodies. The tea party brought a few of the founder members "out of the woodwork" that we have not seen for years as well as a few of the Committee members from the other local CCSA regions and the Provincial office. As a result there was quite a bit of banter and a lot of "going down memory lane".

Saturday afternoon was spent decorating the hall and blowing up hundreds of balloons, but luckily we had quite a few of the ladies there who have always got plenty of "hot air" to give. On Saturday night our birthday party was held in the hall with the theme "I can't believe you wore that". Well, we had all sorts there - from Madiba and Winnie, school girls and boys, Mr and Mrs Bones, Johan van der Walt, Ladies of the night, The Gooseneck Patrol and our very own Austin Powers.

The band Fully Covered provided the music and the meal consisted of a Spit-braai and salads followed by Ice Cream and Bar-One sauce. The evening turned out to be an enjoyable and memorable event which will linger in the minds of those that attended for a long time. (Especially some of the heads the next morning!!!!!!)

Very special thanks to Zelda, Dennis, Bea and the Committee for the efforts as well as all the other members (far too many to mention by name) that assisted in the setting up and clean up operations.

Sunday School was held by Kerri followed by Chairman's. Congrats to Zelda and Gary Atkins on receiving their 50th national rally and to Ralph Myburgh on receiving his 10th marshall badge. George thanked the committee for marshalling and for putting on such a wonderful weekend. Our fines master was Mark van Wyk and our Loose Screw Award went to Wolf Ditombe for telling Bernise on Saturday night that she should become a mascot for a tyre company. Shame on you Wolf!

Well done to the committee and their spouses for a GREAT weekend!

Our next rally is at Goudini on the 13th, 14th and 15th of June.

See you all there.

Regards

Audrey
